

ABC SCHOOL HOUSE

Information in regards to Daycare Cancellations, Delays and Early Closings due to weather conditions

The ABC School House makes every attempt to remain open, although local school districts may announce cancellations, delays, or early dismissals due to weather conditions.

The ABC School House policy on delayed openings or daycare facility closings is as follows:

1. The following radio station will be notified of daycare facility cancellations, delayed openings, and early closings: WMBS
2. You can also access our website at www.abcschoolhouse.org for information on daycare facility cancellations, delayed openings, and early closings. This information can also be obtained by calling the facility at 724-438-7892.
3. Early closings are not common. In all probability, the safest place for children during a snow or ice storm is in the building, not on the highway. We make every attempt to remain open during regular hours.
4. You, as a parent/guardian make the final decision. If you are of the opinion that weather conditions are too severe or hazardous to bring your child to daycare, please contact the facility as soon as possible if you choose to cancel, or delay for the day.
5. The emergency contact information form, designating persons to pick up your child, is an essential part of the Emergency Operations Plan. Please be sure all information is kept up-dated, as this form will be used every time your child is released. Please ensure that only those persons you list on the form attempt to pick up your child, in case of an early pick-up, due to weather conditions.
6. The complete ABC School House operation plan and parent/guardian communications letter is located at the center and will be sent home to parents yearly.
